EXPERIENCE

Fresh Tropical Fruit high Quality

At **Exportfruit Ecuador** every day we strive to implement responsible agricultural techniques with the environment and the consumer in general. For this reason, all the farms associated with our fruit producer and exporter have fields and packing houses that they use mostly; biodegradable materials, we minimize water waste and low use of chemicals.

The associated farms of **Exportfruit Ecuador** have specialized technicians to sow, harvest and select the best fruit, along with an excellent irrigation system, the best technological infrastructure, good drainage, large recycling pools and efficient packing and packing equipment. Each of the processes are certified and carefully verified, to deliver high quality fruit, required size, exact weight and excellent presentation, that our clients or the international market requires.

Logistics and Transportation:

At **Exportfruit Ecuador** we take care of all the details of the process, logistics and transport of the fruit, for this reason we make our fleet of trucks with GPS tracking technology available, without loading delays and free from contamination. We guarantee a safe transport, attentive to the electrical system and the correct refrigeration of the fruit. **Safe fruit in time!**

BIODIVERSITY

Commitment to Sustainability And the environment

At **Exportfruit Ecuador**, we value and respect the environment. We are committed to sustainable agricultural practices that protect and preserve our land for future generations. From seed to table, we are committed to environmental responsibility.

All our agricultural processes produce a minimal impact on nature and especially all protected areas, where there are species in danger of extinction.

The tropical fruits that **Exportfruit Ecuador** produces are more than just a fruit; They are a source of nutrition and well-being. Packed with vitamins, minerals and fiber, our bananas are a healthy and delicious option for the whole family. Whether as a quick bite or as part of a balanced diet, Exportfruit Ecuador's fresh fruits are a smart and delicious option.

At **Exportfruit Ecuador**, every day we emphasize our commitment to sustainability, the environment, the health and well-being of all, without neglecting our quality and the unsurpassed sweet flavor of our fruit.

*Because nature is our great ally,
We maintain our commitment to take care of it
and protect her, forever!*
